

ROSE COTTAGE

EST. 1895

45 MAGNOLIA ROAD

Rose has a large sunroom on the east end, and old photos show that it was once completely open.

Designed by Mrs. E. P. Morrill of Dover Massachusetts, the Rose Cottage was sold in 1906 (one of the earliest cottages that were sold), to George F. Blake, of Worcester, Massachusetts. In 1929, it was renamed Adoketon.
